As long as you did not contradict the SEPA Core Direct Debit Scheme at your bank in principle (normal case), there is no necessity for any tasking to your bank from your side in relation to this mandate.

BIC and IBAN can normally be found on your bank statements.

If you give this SEPA Direct Debit Mandate in connection with your Application for Membership, please send both forms to our Secretary, who enters the Membership Number (Mandate Reference) and forwards the SEPA Direct Debit Mandate to the Treasurer.
